## PAST PERFORMANCE

Rockstar Solutions, LLC has past performance serving private-sector customers with commercial and industrial cleaning equipment, janitorial supplies, facility maintenance products, and related support.

Our experience includes supporting customers with product sourcing, equipment supply, consumables, replacement parts, maintenance-related needs, and customer service.

While Rockstar Solutions, LLC does not currently claim direct government contract past performance, our commercial-sector experience demonstrates our ability to support customers with product knowledge, responsive service, procurement coordination, and fulfillment of cleaning and facility maintenance requirements.

Our private-sector experience has required us to understand customer requirements, identify appropriate products, coordinate sourcing, and provide solutions aligned with operational needs.

Through this experience, Rockstar Solutions, LLC has developed practical knowledge in supporting customers with a broad range of commercial and industrial cleaning equipment, janitorial supplies, facility maintenance products, and related services.

Rockstar Solutions, LLC is continuing to expand its government contracting capabilities and is prepared to leverage its commercial-sector experience to support public-sector customers with reliable products, responsive service, competitive procurement support, and dependable facility maintenance solutions.
